## **FUNERAL/ MEMORIAL MASS MUSIC SELECTIONS**

Music is an integral part of the funeral/ memorial mass here at St. Francis Parish. It brings consolation to the family and friends who mourn the loss of their loved one. Liturgical music expresses our faith and celebrates our belief that our loved one is sharing in the promise of eternal life.

Below is our funeral music selection list. The selections are listed under their suggested place during the liturgy, but the categories are not rigid. If you would like to listen to the music while making your selections, I suggest searching <https://www.youtube.com> where you can type in the name of the song and composer to hear a sample. If there is a hymn that you would like to incorporate that is not listed below, please let us know and we will do our best to accommodate your request. The St. Francis care ministry will relay your selections to the music ministry.
