A Letter From The Pastor...

Epiphany Sunday!

*Rise up in splendor, Jerusalem!
Your light has come, the glory of the Lord shines
upon you.
See, darkness covers the earth, and thick clouds
cover the peoples;
but upon you the LORD shines, and over you
appears his glory. Isaiah 60: 1-2*

Tradition tells us that the enormous medieval cathedral of Cologne, Germany, holds the relics of the Magi, the three wise men who saw Jesus' star rising in the East and traveled to Bethlehem to worship him. Today's celebration of *The Epiphany of the Lord* is such an important part of our telling the story of the birth of Christ that the church made sure that somehow the message of these three wise men would be remembered in our church calendar and in that special place in Cologne for all of Christendom to see.

The Magi play an important part in the telling of our story not only because they brought the gifts of gold, frankincense, and myrrh to the Christ Child but because through them we immediately know that God's intention was that the coming of Christ was not just for the chosen descendants of Abraham and Sarah but for the entire world. According to tradition, the three kings were Caspar, from the region of India; Balthazar from the region of Babylon/Arabia, and Melchior from the region of Persia. These three outsiders were searching for something and they found it. Of course, as royals, they did not only represent themselves but everyone in their realm, thus expanding the reaches of this message of God's love for us and God's presence throughout the world.

I'm sure that we have all had an experience when, all of a sudden, we were able to see reality in a whole new light. It is often so dramatic that we might have even wondered how we weren't able to see it before. We also know that we can't "un-see" it either. We would say, even in non-religious settings, that we had an epiphany.

What we celebrate today is that twist in our vision that shows us the depth of God's great love for us, for all of humanity and for all of creation.

Although it's not so much frankincense and myrrh, and a bit more on the side of gold, today's bulletin is dedicated to those who continue to search for something and believe they have found it, or at least a part of it, here in St. Francis of Assisi Parish on Long Beach Island. Like last year, your response to our *Christmas 2021 Giving Fund* has been tremendous, and humbling. Thank you, one and all.

As of Dec. 24, 2021, \$186,355.00 has been donated to our *Christmas 2021 Giving Fund*. It is only through your generosity that we can continue to be who we are, praise God together as a community, and minister to those we meet along the way. Upon us the Lord does shine and we know God's glory. We are an Epiphany People!

On behalf of the entire Parish Staff, we are so grateful not only for your generosity in your "gold" but in the generosity of spirit that continues to unfold before all, here at St. Francis, every day.

May God continue to bless you and your families with all that is good. May the Epiphanies in 2022 continue to change our vision until we can all truly see the Kingdom of God in our midst.

Fr. Francis Di Spigno, OFM
Pastor

Weekly Reflections...

Ms. JoAnne Reeder, Director of Worship

Happy New Year to one and all. The new year is always a good time to look ahead and make resolutions that better our lives, our community, our world. January 14th is the Franciscan Day of Prayer to End Racism.

Racism is a sickness and a sadness that has too long robbed people of color of the equality, justice and pursuit of happiness that is their birthright. The United Nations General Assembly reiterates that “all beings are born free and equal in dignity and rights and have the potential to contribute to the development and well-being of their societies.”

Br. Tim Lamb, OFM reminds us that “the pathway to the end of racism is education and knowledge of the other.”

The incredible contributions of our brothers and sisters of color are monumental. We do know many of them; Rosa Parks, George Washington Carver, Oprah Winfrey, Michael Jordan, Martin Luther King Jr, Serena Williams, Marion Anderson, Harriet Tubman, Barack Obama, General Colin Powell, Maya Angelou, Aretha Franklin, Ella Fitzgerald, Julian Bond. The Tuskegee Airmen.

And we rejoice in the millions whose names we do not know who are the care givers, nurses, firefighters, police officers, bricklayers, bridge builders, waiters, chefs, office workers, small company owners, corporation CEOs, bankers, farmers, pilots, teachers.

If you seek knowledge of the other you will find the likes of Benjamin Banneker -mathematician, astronomer and inventor of the first American made clock. Charles Drew – surgeon and inventor of the blood bank. Mae Jemison – physician, engineer and first black woman to go into space as a NASA astronaut. Marie Maynard Daly – first African American woman to earn a PhD in chemistry. The past and present filled with so many who had to struggle through the barriers of racism to attain their dreams.

The New Testament of the Bible tells us in Acts 17 that God has made of one blood all peoples and races in the world. The diversity of colors in God’s creation are God’s gifts to us. All this pain over a color. Imagine the sky, the sea, the forests devoid of blue green, amber. What if we removed the color from our beloved red, white and blue flag. That would leave us with a white flag, a symbol of surrender, of giving up. No, we do not and will not give up until the burdens and sorrows of racism are lifted from the shoulders of all our brothers and sisters and we share equally in the glory of God’s creation.

On the 14th of January, Franciscans celebrate the annual Day of Prayer to End Racism. “When I think of all that needs to happen before racism does not exist, I grow weary, until I remember that the journey to the end of racism begins with me.” Br. Tim Lamb OFM.

May this New Year be the start of embracing the joy and peace of living with and loving all of our brothers and sisters.

Peace and all good,

JoAnne Reeder
Worship Director

GOŚPEL CHALLENGE:

“They opened their treasures and offered Him gifts of gold, frankincense and myrrh”.

The most important gift we can offer Jesus is the wealth of our love and the sacrifice that this will inevitably require.

In what ways can I manifest my unselfish love for Jesus?

Did You Know??

The majority of grants received by the Center only cover a portion of the costs to offer our programs, most of which is allotted to the employee salaries directly providing those services. Other operational costs, as well as administrative costs, utilities, and insurance, all depend on donations from the public to help support running these programs. We are thankful for any and all support from the community!

An Invitation to Contemplative Living

This program calls out to those who desire to live more contemplatively in the world, to grow in union with God and others, and to become more aware, intentional and free. God liberates us and heals us through the practice of contemplative prayer. All our meetings, will be on Zoom for both Wednesdays and Saturdays through March then back in person for April through July 2022. Email Kathy Egan for more information at: klegan.chaplain@gmail.com
