## Festival of the Sea Sponsorship Opportunity

June 2021

Greetings and many blessings to you.

One of the lines from the St. Francis' Peace Prayer is, "Lord make me an instrument of your peace, where there is darkness, light."

These last fourteen months have been dark and difficult. We know this to be true because we, at St Francis, made every effort to reach out to the community. We witnessed firsthand the need for spiritual consolation and for the first time in decades, kept three churches open for mass and for private prayer. We did our best to minister to anyone who came to us in need. Our Community Center became a place of refuge and hope for the recently unemployed, food insecure, and those with counseling needs.

That said, we need your support. This year, we are asking you to be a sponsor for *The Festival of the Sea*. We believe that the Festival of the Sea is one of the island's favorite summer events. This year, however, we are reinventing our marketing and promotional activity. (Don't you just love the new logo?) We want to have a party and celebrate the community that is LBI; this community which has come through many dark times, has a history of coming together to make the light is strong and true.

Please see the opportunities below

**Ferris Wheel Sponsorship: \$1,000-** Recognition at our event and prior to, unlimited rides for 4, complimentary food/beverage on night of your choice

**The Carousel Sponsorship: \$500.00-** Recognition at event and prior to; unlimited rides for 2

**The Cotton Candy Sponsorship: \$100.00-** Recognition at our event

We would like to thank **Berkshire Hathaway** for graciously agreeing to be the **Presenting Festival Sponsor**.

We hope you can be a part of the celebration. Thank you for your generosity and support.

## Weekly Reflections...

### *Saints of God, the Lord be with you!*

In today's Gospel according to Mark (6: 30-34) after the apostles return from ministry, Jesus says to them, "Come away by yourselves to a deserted place and rest a while." Obviously, Jesus and his apostles were not living on LBI during the summer! To those who are vacationing here, we who live here year round, do hope you can get away from it all and relax. Meanwhile, we will take our rest during the winter months when the traffic lights are off and the speed limit on the boulevard is 50.

However, what do we do when we clearly need some respite now? I've learned a lot from visiting our Poor Clare Sisters in Chesterfield, New Jersey. Despite what you may think about the life of contemplative nuns, their lives are relatively busy. To be honest, even their frequent communal prayer times during the day I find exhausting. How do they do it all?

I think that something we can all learn from them is that they have periodic quiet days; time to let go of most of their work schedule and concentrate on what's really important to them. Every few months or so they also have Martha/Mary retreat days in which half of the community serves the other half who get to experience a longer period of time "off schedule". Then, a few months later, the roles are reversed.

I don't think most families can have quiet days or a week of retreat. However, I do think that some quiet time during the day would be beneficial for all of us. Perhaps you can find time to be alone (and with God) as you walk on the beach, or have an afternoon cup of tea. Perhaps when the (grand) kids are taking a nap, or the older ones are outside on their own, you might just sit, close your eyes, and thank God for all that God has given you. And if you happen to fall asleep...then that too is God's gift to you.

So enjoy your time with us, relax and we pray that you will all find refreshment!

Fr. Stevek, ofm

### **GOSPEL CHALLENGE:**

*"...They were like sheep without a shepherd; he began to teach them many things..."*

**We are called to do the work of God as his disciples, but we also need to acknowledge our own need to turn to God for guidance.**

*When I am lost and in need, in what ways do I turn to God for help?*

### Did You Know??

In Late 2020 the **Maintenance Department** began the process of converting the under utilized Brant Beach Church Hall stage into a functional storage loft. We started by cutting out part of the stage floor to make an area so the chair racks can roll safely inside, we also built a second story so we can use it for record storage. The project should be wrapped up late Summer 2021. If you have a minute, walk through the hall and take a look.
