Festival of the Sea Sponsorship Opportunity

June 2021

Greetings and many blessings to you.

One of the lines from the St. Francis' Peace Prayer is, "Lord make me an instrument of your peace, where there is darkness, light."

These last fourteen months have been dark and difficult. We know this to be true because we, at St Francis, made every effort to reach out to the community. We witnessed firsthand the need for spiritual consolation and for the first time in decades, kept three churches open for mass and for private prayer. We did our best to minister to anyone who came to us in need. Our Community Center became a place of refuge and hope for the recently unemployed, food insecure, and those with counseling needs.

That said, we need your support. This year, we are asking you to be a sponsor for *The Festival of the Sea*. We believe that the Festival of the Sea is one of the island's favorite summer events. This year, however, we are reinventing our marketing and promotional activity. (Don't you just love the new logo?) We want to have a party and celebrate the community that is LBI; this community which has come through many dark times, has a history of coming together to make the light is strong and true.

Please see the opportunities below

Ferris Wheel Sponsorship: \$1,000- Recognition at our event and prior to, unlimited rides for 4, complimentary food/beverage on night of your choice

Weekly Reflections...

This is my first summer back here on LBI in 15 years. I had six summers in Tampa, Florida - a little hot and steamy. Then nine summers in mid-town Manhattan - just as hot and steamy as Tampa. I am enjoying the breezes and this year Fr. Fran and I have planted a garden adjacent to the Friary in Beach Haven. There are zinnias, marigolds, dahlias, morning glories and gladiolas. And lettuce, tomatoes, zucchini and eggplant. In the enclosed area we have many potted plants. Everything is growing well because there is good dirt and manure and lots of attention daily. There is a spirituality that comes with gardening: you learn to pay attention to the plants, to care for them daily, to be patient and to thank God for their beauty. I also thank God for the zucchini that the garden has given me and the zucchini casserole that I made for dinner the other evening. I have to keep my eye on the zucchini plants because once they start producing, they grow quickly. Doesn't our spiritual life, our life with God require some of the same qualities: attention, daily care, patience? When I don't water the garden often enough and plants start to wilt, they are telling me to "get with it and give us a drink." Sometimes our spiritual life wilts also and it needs attention. Like St. Francis, I praise God everyday for "Mother Earth."

It is so good to look around each day and see families and friends having a good time. The pandemic kept us apart and even normal life has us living away from one another. To see gatherings and cook outs and people enjoying the beach is wonderful to see. There are often summer Baptisms and Memorial Masses when families can get together and celebrate these occasions. Jesus encourages us to take time to relax because this strengthens us and provides the opportunity to be refreshed and renewed. The Scriptures tells us how He would go to "deserted places."

So, enjoy every day!

Fr. Andrew

GOSPEL CHALLENGE:

"There is a boy here who has 5 barley loaves and 2 fish; but what good are these with so many?"

The disciples' faith, like ours, is often limited, unable to envision the unlimited outpouring of God's abundance.

How does my life as a disciple reflect God's abundance?

Did You Know??

In Late 2020 the **Maintenance Department** began the process of converting the under utilized Brant Beach Church Hall stage into a functional storage loft. We started by cutting out part of the stage floor to make an area so the chair racks can roll safely inside, we also built a second story so we can use it for record storage. The project should be wrapped up late Summer 2021. If you have a minute, walk through the hall and take a look.
