A Letter From The Pastor...

Fr. Francis Di Spigno, OFM,
Pastor

Greetings from Kansas City, sort of!

I am back on Long Beach Island this weekend but as I mentioned in my last letter, I was in Kansas City, Mo. this past week. I attended a five-day meeting of the Franciscan Friars who are under 65. A strange qualifier, you might think, but of course there is a reason.

In the United States there are presently 7 provinces of the Order of Friars Minor – hence, *OFM* after our last names. Six of those provinces have been in the process of “realignment and revitalization” for the past 6+ years. Like most Religious communities in the United States the number of vocations to our way of life continues to decrease. At our peak, our province, The Most Holy Name of Jesus, was well over 1,000 friars. When the 6 provinces become one, we will have around 800 friars.

Yes, times have changed, and they will continue to do so. However, as good Franciscans, we take our lead from St. Francis who said near the end of his life, “Let us begin again for up until now we have done very little.” In his book, *The Life of Saint Francis*, Thomas of Celano wrote that St. Francis “did not consider that he had already attained his goal, but tireless in pursuit of holy newness, he constantly hoped to begin again.” The OFM Franciscan Friars in the United States believe this is a great opportunity to begin again and to ponder anew how we are called to live and proclaim the Gospel of Jesus Christ now, in the 21st Century. We realize that we can no longer rely on the patterns, traditions, and assumptions of the past, so we seek to create something new that speaks to a new generation.

At Mass on Tuesday morning, the presider, Fr. Russel Murray, OFM – a proud son of New Jersey – when leading us to pray the Lord’s Prayer invited us to pray in the language that speaks to our heart. Wow! What a wonderful experience of our brotherhood and of our church. It was certainly a different experience. Some might even say it was chaotic as we all prayed for the coming of God’s Kingdom in so many different languages. A Haitian-American friar next to me prayed in Creole and Fr. Russel prayed in Russian from his mission days in the former Soviet Union. I have to believe that another brother who ministers in Istanbul prayed in Turkish. English was certainly spoken as was Spanish but I know many of our brothers also prayed in their native Vietnamese. Interestingly enough, we began together and we ended together, but what I heard in between made me think of the scriptural reference to those speaking in tongues. It was a lot of sound where no one voice was heard but we all knew and understood what was being prayed.

Yes, times are changing. They always did and always will. The question is what do we do with the change? Our 6 provinces, each with their own unique history and inherent goodness, will come to an end in October 2023, but something new is in the process of being created. We will begin again and with the conviction that as long we keep the Gospel at the center of our lives and its proclamation as our mission, what will be created will be good, and will be of God.

We are hopeful, but all transitions are difficult. I ask that you please keep the Franciscan Friars in your prayer and that through the intercession of Our Lady of Guadalupe, the patroness of our to-be-created province, our new beginning will help us pursue a “holy newness,” bear much fruit, and build the Kingdom of God in our time.

Peace and All Good!

Gospel Inspirations:

"Take care to protect against all greed, for though one may be rich, one's life does not consist of possessions."

Rather than build a bigger barn, we should share our bountiful harvest.

Today we remember what matters to God; not how much we have acquired but how much we have shared.
